bill's accuracy, the amount of water each customer has consumed and the quarterly meter readings. A number of customers have experienced extraordinarily high bills one quarter each year which often causes an unexpected dent in the family budget. This is caused by the District's not knowing the quarterly water consumption. Therefore, our customers are urged to fill out the meter reading inserts sent with each bill and return them by mail to the District. If this is done regularly, then these customers can avoid high bills unless their actual water consumption is unusually high.

"The District prefers that bills be paid by mail, but for the convenience of those who would rather pay when they are in town, they may do so starting Monday, Oct. 13, at Prim's Pharmacy. When paying in person at Prim's Pharmacy, customers must have their bill with them. Any questions regarding individual bills should be referred to the District office, by telephone at 824-2342 or by stopping by the office on Philbrook Street. If the office is unattended when a call comes in, a telephone answering device has been installed so that the caller can leave name and number for a return call.

"The current billing period is unchanged from previous periods and is Oct. 1 to Dec. 31, 1980. Terms of payment remain the same: payment required within 30 days. An interest charge of 1% per month is applied to bills not paid after 30 days from the date the bill is sent."

tions fall before the next scheduled general meeting. The amounts of money involved are such that the directors want to obtain the general direction of its members before taking any action. The next general meeting is scheduled for Wednesday, Oct. 22, at 7:30 p.m. at the Bethel Savings Bank. The agenda for the meeting includes: a report on the current year's operations; a report on the current year's budget; a report on the current year's financial statements; and a report on the current year's water consumption.

The Board of Trustees of the Maine State Retirement System has authorized a 4% cost-of-living increase to all retired teachers, state employees and employees of participating local districts in the Maine State Retirement System, which have accepted the statute provisions providing for such increases.

TELSTAR HOMECOMING 1980 SATURDAY, OCT. 18

This Saturday, Oct. 18, is Telstar Homecoming Day. Everyone is looking forward to a fun day for Telstar alumni. All Telstar graduates are invited to participate in some manner.

The welcoming brunch for alumni will begin at 11:00 a.m. in the Telstar Cafeteria. This will be a perfect time to share a cup of coffee with that friend you haven't seen for months, or maybe even years. Registration of alumni will also be taking place beginning at 11:00.

The Alumni/Telstar Field Hockey game is the first scheduled game of the day. All alumni who are interested in playing field hockey should report to the field at approximately 11:15 dressed to play.

The Alumni/Faculty Softball game will start at 12:30. All alumni (male or female) are invited to participate in the game.

There will be an exhibition soccer game during the afternoon and the Class of '81 may have some other events scheduled.

The Homecoming Dance will begin at 8:00 p.m. and alumni have been invited to attend. There will be an admission charge.

Telstar alumni are urged to attend the day's activities. If the turn-out of alumni is good, this will be the start of an annual event. Homecoming Day is the opportunity many alumni have been waiting for, to get out and visit those friends you usually don't have the chance to see. The Alumni Association and the Class of '81 hope to see many alumni attending.

Telstar graduates, from the class of '69 to the Class of '80, this is a day for you! Come and participate.

FROM THE bethel town office

Voters are reminded that absentee ballots are available at the Town Office for the Nov. 4 General Election. Voters may vote absentee if they are going to be absent from the municipality during the time polls are open on Election Day or if they are physically unable to go to the polls to vote. Persons wishing to vote absentee should contact Merton Brown at the Town Office.

The Board of Selectmen will meet in regular session Monday, Oct. 20, at 7 p.m. in the Bethel Savings Bank meeting room. Agenda items will include: consideration of police car bids, signing of the warrant for the Nov. 4 general election, consideration of concealed weapon permit applications, review of correspondence, and action on routine items.

Residents are also reminded that overnight on-street parking is prohibited from Nov. 1 to April 1 on all streets and town ways. Cooperation with this local ordinance is sought and it is suggested that persons who now park overnight on local streets make appropriate arrangements for off-street parking prior to Saturday, Nov. 1.

The Board of Assessors met Thursday evening, Oct. 10, and acted on a variety of agenda items. The Board considered several requests for review of valuations and based on information provided, took action as appropriate in accordance with established policies.

The Assessors, after review of sales ratio studies, the state's compilation of Bethel's recent state valuations, together with discussions with State Bureau of Taxation representatives, and review of appropriate state laws, concluded that there was no technical basis for appeal of the Town's valuation. It was the conclusion of the Assessors that philosophical issues and concerns about the use of and formulas for compiling of the state valuation could not be addressed through the appeals process.

GRAND OPENING OF GOULD ARTS CENTER TO BE HELD SUNDAY, OCT. 19

On Sunday, Oct. 19, from 12 noon to 2 p.m., Gould Academy will hold the "official opening" of its newly renovated arts center.

The renovations, completed in two stages under the direction of Gould Art Department Chairman James Owen and Bethel contractor Dan Gibbs, includes a new basement pottery studio, complete with a new car-kiln and over 15 pottery wheels. On the first floor there is a new print studio, a center for jewelry making, and a gallery that will display throughout the years student and faculty works of art. In addition to these "new" facilities the complex also houses a drawing and painting studio, darkrooms for both color and black and white photography, a greenhouse, and the glass blowing shop which is used each spring term. Mr. Owen feels that the new facilities provide Gould students with one of the best programs available.

AUDLEY GREEN TO GIVE HARPSICORD RECITAL SUNDAY, OCT. 19

Audley Green, who has played for audiences both in the United States and Australia, will give a harpsichord recital in the meeting room of the Dr. Moses Mason House, Sunday, Oct. 19, at 4 p.m. Ms. Green has performed widely on the east coast in solo recitals, with chamber music groups, in festivals and in community programs as an artist-in-residence. She has given solo recitals at Harvard University, Philadelphia College of Art, Johns Hopkins University, Massachusetts Institute of Technology, Queensland University (Australia) and at many other colleges, churches and community organizations.

The harpsichord, forerunner of the piano, was the most important of the keyed instruments in the 16th, 17th and 18th centuries. It somewhat resembles the clavichord, except that when the keys are pressed the strings are plucked.

Meetings to Discuss S. A. D. 44 Budget for FY 82

The Finance Committee of the Board of Directors of S. A. D. #44 plans to hold public hearings on the FY '82 budget in each town of the school district during the weeks of Oct. 20 and Oct. 27.

At these hearings, the Superintendent, Dr. Wayne F. Gersen, plans to present an item analysis of the current budget, outlining the reductions the district made in the past year, and describing the difficult decisions the Board must make in the coming year in order to keep the budget at a reasonable level.

The Finance Committee and Superintendent are faced with the choice of maintaining the current level of educational services while significantly increasing the local taxes, or maintaining the current level of support while reducing the educational services. In the Superintendent's item analysis of the budget, several potential areas for reduction will be described, along with the consequences of each reduction. A questionnaire seeking the public's reaction to the potential areas for reduction will be distributed at each hearing, and questions and comments will be entertained.

The dates and sites of the Finance committee hearings are: Wednesday, Oct. 22, Newry, Raymond C. Foster School, 7:30 p.m.; Thursday, Oct. 23, Bethel, Bethel Savings Bank, 7:30 p.m.; Monday, Oct. 27, Andover, Andover School Gym, 7:30 p.m.; Wednesday, Oct. 29, Greenwood, Locke Mills Town Hall, 7:30 p.m.; Thursday, Oct. 30, Woodstock, Woodstock Town Hall, 7:30 p.m.

Taxpayers Assn. To Meet Oct. 30

The Bethel Taxpayers Association held their last general meeting Sept. 25 at the Telstar Regional High School library. Karen Brown was the guest speaker and addressed the group on the subject of county government. Rep. Brown discussed in particular the budget to fund the county expenditures, and the impact on the local budget. Copies of the association's by-laws were presented to the members for adoption. Two motions were passed by the members. The first motion dealt with the forming of a committee to formulate a plan to deal with better citizen participation at town meetings and the second motion dealt with forming a committee to attend municipal and school meetings.

COLBURN - BLIZARD

The home of Mr. and Mrs. Leroy Hersey was the scene of a lovely afternoon wedding, Saturday, Oct. 11. Approximately 40 guests and relatives witnessed the marriage of Miss Robin Blizard and Warren E. Colburn Jr.

Miss Blizard is a registered nurse from Seattle, Wash., and Mr. Colburn is the son of Mabel Hersey Colburn and nephew of Leroy Hersey. He is a Commander in the Coast Guard at New London, Conn., and resides in Mystic, Conn.

Pastor Jeff Hooker performed the ceremony and Mrs. Merle McAllister catered the refreshments. Many good wishes go to the young couple.

Sorry I have been absent in the news lineup these past three weeks but we have had two deaths in the family. September 21 we received word that my nephew, Danny Cooper, son of Murray and Sadie Cooper of Arlington, Mass., had been killed in a motorcycle accident. In Epping, N. H., where he had gone to enter in the races there, and developed engine trouble with his bike and he lost control and was killed instantly. Then about an hour later we received a call from Clyde's brother, John, in Glendale, Ariz., that his wife had passed away. We didn't know how

we could attend both services. We left for Arlington, Mass., Tuesday morning and attended Danny's wake that evening and left next morning for Arizona by plane. We arrived there at 4 p. m. their time and attended Clyde's sister-in-law, Virginia's funeral Thursday. We stayed in Glendale until Saturday morning and left with John by car, hauling a small camper trailer and headed for Maine. We crossed 14 states and covered 2997 miles, a long, grueling trip and it took four days and three nights. We took turns driving while the others tried to sleep. We arrived home Wednesday morning at 4 a. m. and very tired but happy to be home.

John has been spending several days with us and visiting relatives and old friends, that he hasn't seen for years. He returns Tuesday morning and his sister, Ethel DeCelle, will go with him for company and to help drive. She will visit in Arizona.

Mrs. Arlene Bean of West Bethel had breakfast Sunday morning with her mother, Jo.

Mr. and Mrs. Lee Lord were in Livermore Falls Sunday to visit Lee's dad, Walter Lord. Jo, Kay and Clyde Stanton went to see him Saturday.

Mr. and Mrs. Frank Pike Sr., were in Albany Friday calling on Mr. and Mrs. Graham Bachelder. The Bachelders leave Tuesday for Florida for the winter.

Greenwood City

Mrs. Colista Morgan, Corres.

We breakfasted early. It was a radiant morning, clear and crisp. The sun shone in splendor on the top of Patch Mountain. It had not yet touched our yard or house. Leaves of many colors were rustling on the trees.

I went out and walked through the driveway, up the Bulldozer Road, then down through the field, the woods, and on to the main highway.

I could see the slow movement of the deep slate-colored water, dappled with sun and shadow.

Near the pond's edge the air was cooler and a light perfume was carried on the wind.

Sitting at the base of one of the trees, I felt the warmth of expectation. I felt more than saw the change, as the sun climbed the horizon and brightened the surroundings.

I crossed the road and again entered the woods. Momentarily I stood beneath an arch of bright red and again looked to the pond.

At this season the slender cat-tails lift their brown cylindrical banners and the autumn winds sway with the dignified grace

sway with the dignified grace of the fern. With their light brown leaves and sturdy stems they blend with the frost-seared grasses around them. I stood to observe them for a few minutes. In places the leaves were taller than the blossoms, so gave a graceful background, as well. It's nice to know that when the bitter cold comes and the snow lies deep, they will still be there; lifting those brown banners to the winter sky.

This morning surely was perfect walking weather.

Turning again toward the fields I noticed the etched lichen pictures on the stone walls. The yellow-tan soil near by, in front of the woodchuck dens made dots by the fence. Mr. Chuck is now so fat he waddles, for he is nearly ready for his winter's nap. He is

a shrewd animal in spite of his unassuming people. He was picturesque today as he sat on the door step of his borrow in bewhiskered dignity.

Another look toward the hills at the flaming blankets on the hard wood ridges then down the main highway toward home; walking between the exploding rocket of brilliant colors.

The blue-black smoke from our chimney curled upward then drifted on the air like a long hyphen.

The world of autumn had moved in, filtering summer, and left a lacy pattern of loveliness and peace resting over the valley. I shall remember the scene of red and gold; almost too much for the heart to hold.

Week-end visitors of Mr. and Mrs. Leonas Holt were: David Holt, Dexter, Ann Holt, Bethel; Mr. and Mrs. Robert Holt and sons, Danny and Ricky, Windsor; Nancy Hutton and her aunt and uncle, Mr. and Mrs. Goggin, Cape Elizabeth.

Doris Hayes and I joined several other teachers at Beryl Bonney's camp on Round Pond, Greenwood, for a pot luck dinner.

Louise DiArenzo, Springfield, Pa., and a friend have been visiting her parents, Mr. and Mrs. Pat DiArenzo this week. They have enjoyed the foliage.

I went to Sanford on Sunday with Mr. and Mrs. George Ridley to visit our sister, Annie Mills, who is in the intensive care unit at the Goodall Hospital.

Mr. and Mrs. Russell Brennan were at their cottage here over the week end.

Duane and Scot Hayes, West Paris, and Del and Betty Hayes, Auburn, visited their parents, Rolly and Doris Hayes, on Saturday.

Mr. and Mrs. Ralph Leeper, Rhode Island, were at their cottage over the week end.

Mr. and Mrs. Frank Curtis had as callers, Mildred Bowman, Hebron; Donald Bowman, Canton; Betty Curtis, East Sumner; Mr. and Mrs. Ralph Leeper.

Our callers were David Holt, Robert, Ricky, Danny Holt.

The next meeting will be Past Master night. This will be held at Norway Grange, Nov. 4.

Chester Hayes, Deputy of New Hampshire, and a guest, and two from Excelsior were present for the evening.

Mrs. Stuart Thurlow was tendered a personal shower Sunday afternoon at the Legion Hall, West Paris. She was the recipient of many gifts. Many from here attended the get-together.

Mr. and Mrs. Maynard Fleming participated in a foliage trip held for those able to ride out. They went to an area in Gilead where they had a picnic lunch for the members of the home. Several other cars were involved in this excursion.

Tommy Verrill returned home Sunday after having his appendix removed at Norway Hospital.

Many are enjoying foliage tours the past week. However the heavy clouds and fog have diminished the view.

Mr. and Mrs. Carl Brooks took Olive Davis to Oxford Grange where they all held offices at the Past Masters night Friday, Oct. 3.

October 6 Franklin Grange was attended for A. S. and L. A. Stewart's meeting. October 7 they took in Bear River meeting when Oxford Pomona met for 5th Degree.

Callers at Lillian Harmon and Olive Davis this week, were their niece, Della Kilborn, who brought her mother and sister, Ethel Toune, for an afternoon visit. In the evening Sharon Hooven and two girls, Daphne and Julie from Bridgton, dropped in for a visit.

Northwest Bethel

Clarice Gibson, Corres.

Tuesday morning and with the wind and spitting snow it certainly is making us realize that winter is on its way. By this time last year, we had eight inches of snow and didn't have another storm that big until almost spring. Saturday we had a rainy day, which was too bad as the foliage was at its peak. Sunday morning we had to be at Portland Jetport at 7:45 to make connections with the plane Ira was taking to Cherry Point, N. C.

When we left here the fog was so thick that it didn't matter if your headlights were on high or low beam, they would not penetrate; also it was lightning. Of course, Mama wondered if the plane would be able to take off with the weather conditions. I don't mind half as much for the plane to come in as goodby's are always bad anyway. My worries were groundless as the planes were leaving on schedule.

After leaving Ira, Frank and I continued to his sister, Roberta Pevear, Eddie Pevear and Grammie Gibson's. The trip was one of the best yet down as we got there before the traffic was heavy. After breakfast and getting caught up on news, Grammie, Bobby and I went to yard sales until 4 p. m. Eddie's brother, Harold and wife Evelyn, came in the morning and while we were having our lobsters, Charlotte and Verna Pevear came, and soon after the girls parents, Mr. and Mrs. Charles Pevear, Jim Gibson called and we told him we were staying over for Grammie's 87th birthday, Monday; and hoped he

could come. Ira also called saying he had made it back o. k. Monday Jim drove down on his motorcycle from Andover, Mass., to Hampton Falls, N. H. Sue had to take their vehicle to work. Jim, after getting warmed up, had breakfast with us. Frank's older sister, Verna Day, husband, Parker, and their son and wife, Mr. and Mrs. Stephen Day, came before dinner. This made all of Grammie's children there for her birthday except Marie, wasn't able to make it up from New York. We left shortly after dinner and were so thankful we were taking the north lane instead of south. The foliage was beautiful but even then some of the trees had newly acquired bare branches and we could see where they had dropped onto the ground. At times the wind blew so that it looked like little whirlpools of gaily covered leaves. With the wind today imagine a lot more bare limbs will be exposed. George had to work Monday so stayed home with the dogs.

Mr. and Mrs. George Hannon of Durham, N. H., came Saturday and went back Sunday to visit their son and family, Mr. and Mrs. Daniel Hannon and two girls. They came up through the mountains on a foliage trip and went back by turnpike.

Amy Hannon, daughter of Mr. and Mrs. Daniel Hannon, and Shilo and Misty Hutchins, daughters of Mr. and Mrs. Jeff Hutchins are taking dancing this season.

Doug Smith was home with his parents, Mr. and Mrs. Homer Smith, from Cape Cod, this week end.

Betty Smith came Sunday with her two boys to Mr. and Mrs. Homer Smith's. They had come up to their grandparents to get their pumpkins for Halloween.

Evans Wilson who used to own the place, stopped in to see Mr. and Mrs. Scot Bills, Monday.

Mr. and Mrs. Frank Murphy had supper Friday at the Chicken Coop in Mexico.

Mr. and Mrs. Frank Murphy visited Mr. and Mrs. Frank Barowski in Gorham, N. H. Sunday. Frank's parents, Mr. and Mrs. Matthew Barowski, were also present and showed them pictures of their recent trip to Europe.

Evelyn Hilborn returned the first of October from taking her friend, Ellen Tuck, back to Toronto. While in Toronto she had an enjoyable time visiting her brother, Norman Davis and other friends. Prior to leaving Toronto, Brig Pike and Major Harris with the Salvation Army in Toronto; who had been visiting relatives in Newfoundland; came and stayed at camp in Gilead. They all intended to drive back to Toronto in two cars but Evelyn had the misfortune of having car trouble so was not able to continue on for a couple of days. She brought her two cousins, Evelyn and Lucy, back for a visit. They spent a couple of

days at the coast and have been on several foliage trips. They had one meal at the Fireside Inn. Gorham, N. H. and Sunday dinner at Philbrook Inn, Shelburne, N. H.

Wednesday Sylvia Benson took her mother, Alice Foss, to Lewiston, where they ate at Eddie's Diner. They then went to visit Mr. and Mrs. Clifford Noyes.

Friday Joan Coolidge visited Sylvia Benson and stayed for dinner.

Mr. and Mrs. Davis Kimball, Anita and Chantell had Sunday dinner and supper with her parents Mr. and Mrs. Frank Benson.

Mr. and Mrs. Lester Butters went to Coos County Nursing Home, Berlin, N. H., Friday, to see Ethel Elliott.

Marion Rodgers, Lovell, and Olive Blaisdell, Somerville, Mass., were Sunday dinner guests of Mr. and Mrs. Lester Butters. After dinner they all took a foliage trip as far as the carriage road in New Hampshire.

Mr. and Mrs. Thomas Stewart, Juneau, Alaska, friends of Mr. and Mrs. Stan Brown while living in Alaska; called here Sunday. The Stewarts were taking a New England trip and looked up the Browns for a very enjoyable visit.

Mr. and Mrs. Thomas Retroff, Lewiston and Andy Benson, UMO, had Sunday dinner with Mr. and Mrs. Stan Brown. Andy visited his mother, Ann, over the long week end.

Evans Wilson of Orono, came Monday and is visiting his sister and husband, Mr. and Mrs. Leslie Lapham.

Alice Howard treated Myrtle Lapham to a belated birthday dinner Tuesday at Jordan's, Lockes Mills.

Thursday Sue Angevine was one of the mothers who went with the third grade and part of the fourth to Patti-brook in Albany. Timmy Angevine was one of the pupils.

Dick and Sue Angevine and Sue's aunt, Lucy Robbins, had dinner Sunday at The Boiler Room, in Bryant Pond.

Judy Coolidge took Mr. and Mrs. Earl Coolidge to Portland Hospital Tuesday and Wednesday.

Barbara MacDougall and I went into town the 7th and had dinner at McDonald's.

Monday, the 6th, Jody had a tasting party at her home. Elsie Tucker was demonstrator. A good time was had by all.

Friday George and Ira went to the Walt Disney movie in Rumford and Saturday evening they went over to see their brother Frankie and family. Saturday, Frank and Ira went into Norway to pick up Ira's uniforms at the dry cleaners and had dinner with my folks, Mr. and Mrs. George Allen and brother, John. On the way home Monday we stopped at my nephews, Ben Tucker III and family. They weren't home but my sister, Marion and Ben Jr., were

and Jody Shimamura went to a horse show in Norway. Jody came home with six ribbons. The Mason girls and Penny York also brought home ribbons.

Our son, Wilfred, called by radio from Okinawa and Ira had a chance to speak with him.

The Letter People Celebrate

Ten Letter People have arrived in first grade from "Letter People Land." They have been teaching the girls and boys their sounds.

To celebrate, they had a party. Much preparation went into the party.

Mr. M, with some help from his friends, made mats with many M's all over them with magic markers for each child in Mrs. Gaudreau's and Mrs. Gould's first grade. Mr. N handed out napkins with nine N's on them.

Mr. H made a newspaper hat, with H's on it, for everyone and M. S put seven stars on each hat. Mr. Z was the busiest of all getting ready for the party. With the help of Victor Hart's mother, and three more helpers, he made ZOOKIES for everyone. (ZOOKIES are Z shaped cookies.)

At the time of the party Mr. P served punch and Mr. F handed five fish crackers, and Mr. T had

PLAN AHEAD — BEAT THE WINTER DOLDRUMS

An old fashioned variety show is in the planning stages by the Greenwood Recreation Committee. It is hoped that people from surrounding towns will step forward and reveal their hidden talents. Professionals, amateurs, or just plain "hams" are invited to join in this community wide venture.

If the bright lights on stage frighten you then consider one of the many backstage jobs. To be successful this show needs you and probably your neighbor also. Call Gary Fuller at 875-2462 and watch this paper for notice on future plans.

IN MEMORIAM

In Loving Memory of
Howard L. Dyke
I cannot write, nor send a Kodak snap
I cannot sit a child upon your lap
Nor talk by radio, I cannot phone
But since you've gone, loneliness I've known.
I do not wish you back to life, my dear
We are just a little ways apart, that's clear
For you have special blessings there, it's said
I weep beside my lonely, empty bed.
How magnificent the scenery, on the hill
The leaves are all changing with God's will
The Irish Neighborhood is a beautiful sight
And we're having those cool fall nights.
Just 45 years together we had
What a good life, the good and the sad
I bore you eight children, four girls, four boys
You loved them all, had patience thru their noise.
I loved you then, but I miss you now
Your home in heaven, God will allow
Your trials are over, your dark days are past
You're walking with the angels at last.
Christ in His mercy has brought you to rest
He has arranged for you the very best
Some day your kind face again we'll behold
Walk on with angels on streets of pure gold.
Your loving wife

It was voted to send a contribution for the Department President's testimonial.

Reports were given on the Lions Club supper of Oct. 7 and the Defensive Driving Course, which started Oct. 6. The Veterans Night supper was discussed and the menu and other details were planned.

Members reported ill were Susan Moore, who has returned home following surgery, and Olive Head recuperating from a fractured shoulder. Jeri Brooks personally thanked the Unit for a rose bowl sent while she was hospitalized.

Department Energy Chairman, Margaret Valle, had requested that the Unit name a chairman for her program. The name of Ramona Lowe will be submitted.

Superintendent's Newsletter

Dr. Wayne F. Gersen

Background Information on the 1981-1982 Budget

As the school district prepares its budget for the 1981-1982 school year, it is faced with the nearly impossible task of keeping the budget increase minimal without reducing the quality of the instructional programs. Maintaining both the level of taxation and the level of instructional services will be extremely difficult in the year ahead because of the following factors:

Inflation—The current rate of inflation is driving up the costs of the materials and supplies needed to run a school at a rate of more than 10% per year.

Energy Costs—The cost of gasoline and heating oil is volatile. Between FY '80 and FY '81, the budgeted fuel and heating oil costs increased from \$128,950 to \$284,660, an increase of over 120%. Given the uncertainty in the Middle East, it will again be difficult to estimate the future costs of energy

ris; Debbie Millett, Oxford; Mr. and Mrs. Carl Estes and baby, Harrison; Burton Hathaway, Victor and Tania; Mr. and Mrs. Hathaway.

Dinner guests of Mrs. Beatrice Farnum Monday noon were Leatrice Chase, Andrew and Crystal, Locke Hills; Althea Stevens, Keith and Jennifer, Bethel; Jim and Bob-

Hayner, Thomas and Ruth, Troy, N. Y.; Mrs. Suzanne Hayner, Mr. and Mrs. David Ferrante and friend, Glastonbury, Conn., attended the wedding of Miss Carol Hayner and Samuel Riddle, at Bridgton, Saturday, and the reception following at Evergreen Valley.

Mrs. Suzanne Hayner, Glastonbury, Conn., spent last week with her mother, Mary Tripp.

A total of \$65,437.31 in 1980 taxes had been collected and deposited in the bank Oct. 1, the date interest at the rate of 1% per month, or part thereof was voted by the Town. With discount of \$829.56 and abatements of \$52 allowed this left \$42,774.53, or 39.2% uncollected, from a commitment of \$109,993.40 made on May 12.

The Mothers Club met at Eleanor Davis's Monday evening. After the meeting there was a "make-up" party. The Mothers Club will take the elementary students, up to grade 5, bowling Nov. 1. The annual supper will be held Nov. 15.

Matthew Wight and roommate, U.M.O., spent the week end at the home of his parents, Mr. and Mrs. F. Owen Wight.

Frankie Lamastro and friend, North Scituate, R. I., was a holiday week end guest of Mrs. Mary Tripp.

Donald Hayner went to New London, Conn., Sunday to visit a friend, Joe Fontana, returning Monday.

to the district. One thing is certain, the costs will rise in the coming year.

Our Current Austerity Budget—In the past year, S. A. D. #44 made several reductions in order to keep the budget increase from 1979-1980 to 1980-1981 as low as possible. Three high school teaching positions and two and one half elementary teaching positions were eliminated; the extra-curricular athletic equipment budget was reduced by 10%; all supply accounts were reduced; the secretarial staff had their hours reduced; two teaching principalships were eliminated; and, one clerical secretary position in the central office was eliminated. Since these reductions in services have already been made, further reductions in the year ahead will be more difficult.

Negotiations—In developing last year's budget, all district employees were in the second year of two-year negotiated contracts. In the coming year, all employees will be negotiating new contracts. Therefore, the increase in personnel costs will be uncertain until the negotiations are completed.

Elections—Next year's budget is complicated by the fact that the coming year is a national and state election year. With many candidates running on platforms of fiscal austerity, it is likely that funds from the state and federal level may be reduced. A reduction in funding to education at either the state or federal level will result in either increased local funding or increased reductions in educational services at the local level.

The net effect of all of these factors is: (1) If S. A. D. #44 maintains its current level of educational services, the total budget will have to increase by at least 10%, and the local share by even more. (2) If S. A. D. #44 maintains its current budget level, the resultant reductions will be distasteful to many community members and parents. Furthermore, if the state subsidy to the district decreases, the local share may increase despite the district's efforts to hold down its budget.

The Board of Directors and I need the public's assistance in determining which course of action to pursue. We hope that you will attend the Finance Committee hearings in your town on dates listed below, and share your thoughts on developing the budget with us. The dates of the hearings are: Oct. 22, Newry; Oct. 23, Bethel; Oct. 27, Andover; Oct. 29, Greenwood; Oct. 30, Woodstock.

NEWS FROM S. A. D. #44**ADULT EDUCATION PROGRAM**

Two of the Special Feature courses in the S. A. D. #44 Adult and Community Education program got underway during the week of Oct. 6 at Telstar Regional High School. Former Maine Commissioner of Education Sawin Millett, currently with the Maine School Management Association, is teaching a four week course in School Finance to a group of 20 students composed of S. A. D. #44 Board members, administrators, teachers, and District citizens. Following the first class, many favorable comments were heard concerning the expertise and manner of the instructor in dealing with this vital and complex subject. The Energy Workshops, under the direction of the Maine Audubon Society, began on Oct. 8. This is a three-week class, with the second session to be held at the solar-heated Audubon Society headquarters in Falmouth. Most of the students in this class are S. A. D. #44 teachers, who will be putting the knowledge gained in the class to use in their classrooms.

This fall the B.E.A.R.S. are again offering their various first aid classes and training sessions at Telstar, with both Advanced and Standard First Aid in progress this term. The S. A. D. #44 Adult and Community Education program assisted the B.E.A.R.S. this term with publicity and registration, and is delighted to encourage their efforts.

Mark your calendars for a special event on Monday, Nov. 3, when Rusty Clark of the Oxford County Extension will present a one-night program on Wood Heat. This class will be offered at no charge, and will be held at Telstar from 7-8:30. More details as to specifics of the program will be released later.

"Class of the Week" honors this week goes to the Chair Seating workshop, under the direction of Floribel and Agnes Haines of East

SENIOR CITIZENS MET OCT. 8 AT I. O. O. F. HALL

The Bethel Senior Citizens held their monthly meeting on Oct. 8 at the Odd Fellows Hall with 94 members and guests present. Maud Danforth circulated the registration book. The meeting was called to order by the President, Muriel Faudi, and the Lord's Prayer repeated in unison.

Secretary and treasurers reports were read and accepted. Floribel Haines reported that six get-wells, one sympathy, and one anniversary card had been sent.

Manude Danforth distributed little cloth bags into which each member was asked to place as many pennies as they are years old and return no later than the January meeting. A silent auction is being planned for December.

Virginia Walker announced that the Tax and Rent refund applications are slow in forthcoming due

Bethel. The instructors, long-known for their expertise in this field, are working with students on at least six types of woven seats, from various types of caning, to splints, rush, and Hong Kong grass. On Nov. 5 and 12, an added method will be presented by S. Timberlake Co. of Bethel, in the form of Shaker woven-type seats. Many lovely pieces of furniture are getting a new look through the Chair Seating class, and the students have the satisfaction of saying, "I did it myself!"

There was a good attendance at Pleasant Valley Bible Church on Sunday. Pastor Bert Griffith's message was "Which Way" from Genesis, chapter 13. Special music was a solo, "Suddenly There is a Valley" by Ellen Lovejoy, playing her own accompaniment.

There is heat now and much of the insulation went up this past week. Approximately 40 members and friends enjoyed a harvest dinner on noon.

Choir practice is every Tuesday at George Stowell's, followed by Bible Study at the Kantens, at 7 p.m.

A nice fall Monday morning—it's not too cold—the foliage is still beautiful so why complain? Things could be a whole lot worse and they could be better. I don't think we had so much to worry us as we have since TV came to us. We did not hear about all these earthquakes, hurricanes, and tornadoes, and all those killers and price increases which we were going to be able to eat or not. People could find work and were willing to work but that was days gone by. Today very few are willing to trade a day's work for a day's pay—it's a pay and big pay for as little work as I can get by with. Facts are facts!

The BTA was formed this fall and has accomplished much during the time that it has been in existence. It has shown that a group can show strength of purpose and by interest and commitment they are concerned about. The attendance at the special town meeting was an example of the effectiveness of this group.

Taxpayers associations are being formed and have been formed in numerous locations; being formed by citizens who seek a more effective voice in their government.

ble for those who attend this special service so that they might sign and indicate the years when they have served in church activities.

Some of the historical items of interest in the exhibit include: Daniel Gould's letter to the parish refuting charges against him, a copy of the sermon delivered at the ordination of Reverend Charles Frost in February 1822 when the meeting house was located on the banks of the Androscoggin River, a photograph of the current meeting house before the Garland Memorial Chapel was added in 1892 and the bulletin issued on May 2, 1943 for a service honoring parish members in the Armed Forces. Much of the material on display is available due to the efforts of Pearl Ashby Tibbets and the late Elsie Waldron, church historians.

Coffee and refreshments will be served in the chapel following worship service and the exhibit will be open starting at 10 a.m.

COUNTY BAR ASSOCIATION WELCOMES NEW MEMBERS — When the Oxford County Bar Association held their annual meeting at the Madison Motel in Rumford, they welcomed two new members, Franklin Poe of Rumford and Charles Cutting of Andover. It is interesting to notice that while Mr. Poe was just admitted to the Bar this summer, Mr. Cutting has been in the law since 1933. The new members are being welcomed by Michael J. O'Donnell of Bethel and Albert Beliveau of Rumford. Standing from left to right are Franklin Poe of Rumford, Charles Cutting of Andover, Michael J. What's it like to have a Chimney Fire?

It's no fun. If it doesn't burn the house down, it will probably wreck your chimney and scare you half to death.

So, have your chimney swept before stoking up your fireplace or woodburning stove for the approaching winter!
